PURPOSE:

These one-hour trainings (45 minute didactic presentation followed by 15 minutes of Q+A) are designed to fit in during the lunch hour, where providers can listen and learn, followed by an opportunity to ask questions. Sessions will target both perinatal and pediatric mental health topics throughout the year.

LEARNING OBJECTIVES:

- Recognize and diagnose mental and behavioral health symptoms and disorders in their patients
- Utilize evidence-based treatment including therapy and prescribing psychiatric medications for patients experiencing mental and behavioral health symptoms
- Provide education and case-based learning to enhance the learning and understanding of behavioral health conditions as they are experienced by children and families in Michigan
