Direct any questions to: astagg@mphi.org

PLEASE NOTE: CREDIT WILL NOT BE AWARDED UNLESS ALL CRITERIA IS MET

PURPOSE:

These one-hour trainings (45-minute didactic presentation followed by 15 minutes of Q+A) are designed to fit in during the lunch hour, where providers can listen and learn, followed by an opportunity to ask questions. Sessions will target both perinatal and pediatric mental health topics throughout the year.

LEARNING OUTCOME:

1. Clinicians will be able to determine the mental health needs of their patients.
2. Clinicians will offer appropriate evidence-based treatment to their patients. .

PURPOSE, OBJECTIVES, AND DISCLOSURES

LEARNING OBJECTIVES:

- Recognize and diagnose mental and behavioral health symptoms and disorders in their patients.
- Utilize evidence-based treatment including therapy and prescribing psychiatric medications for patients experiencing mental and behavioral health symptoms.
- Provide education and case-based learning to enhance the understanding of pediatric mental health.

DISCLOSURES:

All presenters and planning committee members have completed a Financial Disclosures document that includes an explanation of Relevant Financial Relationships. Based on these forms, none of the planning committee members or presenters have relevant financial relations with ineligible companies to disclose.
